## State Plan Compliance Addendum to SNAP Employment and Training State Plan

If a compliance issue is identified that cannot be remedied before October 1, the Regional Office will request that the State complete this form to address the issues cited in the SNAP E&T State Plan. The completed State Plan Compliance Addendum will then become part of the approved State Plan.

For additional information, please reference the State Plan Compliance Addendum SOP.

## Date: September 23, 2024 Region: SWRO State: Arkansas

State Plan Section	Brief description of the compliance issue, including regulatory citation	Steps State will take to meet requirement	Completion Date (For each action step)
Region to Complete	Region to Complete	State to Complete	State to Complete
VIII. Screening for Work Registration	The consolidated notice requires revisions regarding language and issuance to applicable household members. 7 CFR 273.7(c)(1)(iii)	Ensure notice identifies which household members are subject to which work requirement and the language correctly informs the participants that they are required to follow the time limit rules when applicable.	6/30/2025
